## OUR MISSION

WellSpring Counseling’s mission is to partner with individuals, couples and families to gain a better understanding of their unique value and to provide them with the knowledge and skills they need to improve the quality of their lives all in a Christ-like, grace-filled environment.

## WE PROVIDE

WellSpring Counseling provides clinical counseling using a biblical worldview for adolescents, individuals and families. WellSpring is a division of Central Ohio Youth for Christ and has served central Ohio since 1992. Initially, WellSpring counselors partnered with at-risk youth to provide help in difficult circumstances. Since then, WellSpring has grown into a multi-disciplined Christian counseling agency that has provided counseling to thousands of individuals and families.

## OUR STAFF

Whether you’re looking for help for your adolescent, individual therapy, marital issues, spiritual concerns, or a clinical assessment, our clinicians come alongside you to provide help and support. We have both clinical and life experience that makes our team of clinicians the best fit for you and your family’s needs.

Clinicians at WellSpring ascribe to the Central Ohio Youth for Christ Statement of Faith. All are participating members of local churches and characterize themselves as evangelical Christians though they worship in diverse denominations. We are a group of professionals who are all followers of Jesus Christ and strive to live lifestyles which reflect His influence and work in our lives. We apply our faith through the integration of Biblical principles with psychological applications which are consistent with the Scriptures. Our clinicians use a wide range of approaches to work with individuals on a variety of issues and diagnoses.
